

The ECA wants to thank all our working heroes and for our neighborhood community staying in place!

Thank you to all our neighbors for renewing their ECA memberships ... In our opinion, you're all essential!

While we were sad to cancel this year's Easter Egg Hunt, and the viability of our beloved 4th of July Parade and Picnic is questionable this year, we want you to know that we remain committed to bringing our community together again when and where it is safe to congregate.

In the meantime, we continue to serve Edgebrook with beautification, social media updates, a terrific website, snow plowing during winter months, staying on top of zoning and safety issues, as well as interfacing with local churches, schools and business organizations.

Please continue to support our local businesses. Each dollar spent at a local, independent business returns 50 times more money to the local economy than shopping at a mega e-retailer. Our small businesses provide good jobs, quality service, and the character that makes our neighborhood feel like home.

Please help support our Edgebrook businesses on the right.

Beautification Report

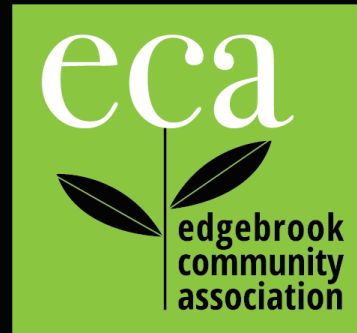

2020 Plan is to focus on three things:

1. The Lehigh strip from the corner of Lehigh-Central to Lehigh-Caldwell.
2. The overall landscaping around the Metra station, along Lehigh, from Devon north to the parking lot.
3. Optional: The turnaround at the north end of Kinzua by the train station.

Activities:

- On March 11th, met with Landscaping firm to discuss 2020 plan. Will get quote on what we can cover.
- Submitted city request for pruning Honey locust trees along Lehigh between Caldwell - Central.
- Discussed plan for Central - Lehigh Corner with landscaping to get quotes.
- Started cleanup along the Metra Station. Cutting down perennials, raking leaves, and fixing the area where the Metra plow had run through the garden at the Parking lot entrance.
- Lots of salt is thrown down on the platform and stairs each winter. A lot of the salt lands on the soil. Need to see what will grow in these conditions.
